education **University of
Pennsylvania**

Philadelphia, Pennsylvania | School of Design

Masters of Architecture M.S. Historic Preservation | M.Arch+MSHP 2016
 Cumulative GPA 3.62/4.0

**University of
Cincinnati**

Cincinnati, Ohio | College of Design, Architecture, Art, and Planning -

School of Architecture and Interior Design | BS Architecture 2012
 Cumulative GPA 3.75/4.0

work experience **Taller Paralelo**

Summer 2014 | Bogota D.C., Colombia

Part of a team tasked with the adaptive reuse of a vacant industrial textile factory in downtown Bogota. Extensive 3D modeling the existing building and development of 2D renderings and graphic representations. Substantial time spent on-site reviewing and documenting building conditions.

**Philadelphia
Redevelopment
Authority**

Summer 2013 | Philadelphia, Pennsylvania

Collaborative work-study internship with the City of Philadelphia to manage and oversee redevelopment of the city's 10,000 vacant properties. Worked with Guy Thigpen of the PRA and a team of PennDesign students to develop a hedonic model for pricing city-owned properties in preparation for Land Bank.

GBBN Architects

Winter 2012 | Cincinnati, Ohio

Thorough material research, documentation, and rehabilitation of Cincinnati's 1878 Music Hall using extensive 3D laser scanning technologies and Building information Modeling (BIM) systems. Collaboration with experienced Historic Preservation professionals and Cultural Resource Management firms.

**Architecture
for Humanity**

Summer 2011 | Cape Town, South Africa - Shirati, Tanzania

Managed physical models and presentations for two Football for Hope Centers in South Africa. Post-occupancy analysis and as-built documentation of health center in rural Tanzania.

DesignSpaceAfrica

Summer 2011 | Cape Town, South Africa

Coordinated two team projects - Yourstreet Urban Design initiative proposing improvements to Curry-prize-winning DesignIndaba 10x10 houses (with DSA urban planners and architects) .

SHP Leading Design

Winter 2010 | Cincinnati, Ohio

Collaborative technical design development of 250,000sf public school facility in Beavercreek, Ohio. Significant exposure to design process, mechanical/structural system management, and BIM modeling via collaborative use of Autodesk Revit Architecture/MEP.

Frederic Schwartz

Summer 2010 | New York, New York

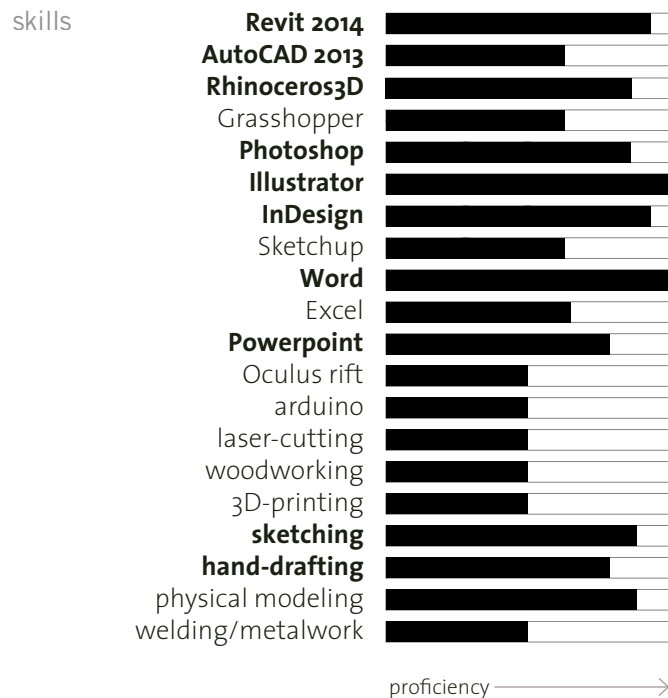

Developed bid for Building Back Better Communities HaitiGreenHomes international humanitarian design competition entry. Collaborated with multinational design team in urban planning for communities in Senegal, Poland, and several locations in the Southern United States.

Riedel Design/Build

2008 June-August | Madeira, Ohio

Apprentice with experienced community carpenter in design-build of several custom residential interiors and build-outs.
